

CLEAN AND GREEN TREE PLANTATION DRIVE 2024

Date: February 2024

Activity: *Clean and Green Tree Plantation Drive 2024* launched by the Department of Electrical Engineering, UAJ&K, at Chehla Campus, Muzaffarabad. The campaign aims to plant 500 trees within two months, with active participation from faculty, staff, and students.

INTERNATIONAL FOREST DAY 2024

Date: 21 March 2024

Activity: Celebration of International Forest Day with a tree plantation ceremony at King Abdullah Campus, UAJ&K, led by Vice-Chancellor Prof. Dr. Nadeem Haider Bukhari.

Context (SDG 13 – Climate Action): The activity highlighted the critical role of forests in mitigating climate change, raising awareness about ecosystem conservation, and reinforcing institutional commitment to sustainability through afforestation and climate-resilient practices.

PLANTATION DRIVE 2024

Date: March 2024

Activity: Plantation drive organized by the Department of Botany, UAJ&K, with active participation of faculty members, BS, M.Phil., and PhD students, in collaboration with the AJK Forest Department.

Context (SDG 13 – Climate Action): The drive promoted afforestation and biodiversity enhancement at the new King Abdullah Campus. By engaging students and faculty in large-scale tree planting, the activity contributed directly to carbon sequestration, ecosystem restoration, and long-term strategies for climate change mitigation and sustainable campus development.

CLUSTER CONFERENCE ON “ENGAGING YOUTH LEADERS FOR INDIGENOUS AND SUSTAINABLE CLIMATE ACTION”
